

SAVE THE DATE:
SKIDMORE CARES COMMUNITY OPEN HOUSE

We will be extending a personal invitation to you and all members of the Skidmore faculty and staff and their families to join us at Scribner House for the annual Skidmore Cares Community Open House:

Friday, December 6th

3:00 – 8:00 p.m.

Scribner House and Carriage House

The Open House will again be an opportunity for us to share time together and to give back to our community. We encourage you to bring your family to the Open House and to share in the spirit of giving associated with the holiday season by **participating in *Skidmore Cares*, a program through which we can all lend a helping hand to others.** *Skidmore Cares* was created to give more meaning to our gathering as a campus community by collecting food and school supplies to be distributed to local agencies. For information, please go to our website at <http://www.skidmore.edu/skidmorecares/> .

There will be supervised activities for children in the Carriage House during the Open House, including the ever-popular cookie decorating.

We hope that you and your family will join us on December 6th to participate in *Skidmore Cares* and to share good fellowship with our Skidmore community.

Best regards,

Phil and Marie Glotzbach
