I, _____, agree and commit to the fulfillment of all of the required SDM courses indicated above. Furthermore, I understand that any and all changes to my approved SDM courses, including study away courses, must be submitted for reconsideration and approval to the SDM Advisory Board. This request must delineate the reason(s) for dropping a course and a detailed rationale explaining how the new course is relevant and maintains coherence with the approved SDM course of study. I fully understand that such a request must be submitted in writing before the semester begins and no later than the Add/Drop period. Changes to my SDM courses without prior request and approval by the SDM Advisory Board will be considered an unusual circumstance and may negatively affect the completion of my SDM.
