§ 200 Purpose

As the legislative student body at Skidmore College, the Student Government Association Senate is responsible for conducting business in such a manner that is fair, timely, and orderly. While other governance groups may establish previously published rules for the operation of their respective legislative bodies, it can be said that the best and most effective rules are ones specifically attuned to that particular organization. With that in mind, these rules have been established to serve as a complete and cohesive guideline for the specific operation of the SGA Senate body. Unencumbered by unnecessary and obfuscating rules, it is the intention that by knowing, respecting, and adhering to these established rules set forth we, the representatives of the student body, may fulfill our pledge.

Three absences in one semester will result in the Chair submitting an attendance policy violation report to the SGA Judicial Board. However, absences for illness or certain other issues such as: an illness or death in their family, impassable roads or weather, religious observance, quarantine, or school-sanctioned sports are excused and are not counted toward the two permitted absences as long as the Chair receives written prior notice at least three hours before the meeting.

 - d. Unanimous Consent: To be used only in situations that require no discussion other than minor clarifications, and which seem to have no objection in the Senate Body. To pass an item by unanimous consent, the Chair may simply ask the Senate body for any objections to the item. If none are voiced, the Chair shall declare the item approved by the Senate Body. When inconclusive, the Chair must then move to a Show of Hands vote.
- F. If a form of voting might be improper, any Senator may make a "motion to vote by [form of voting]" to ask the Chair to utilize a different voting method. The motion must be seconded and approved by a two-thirds majority of the Senate in accordance with § 224.D., conducted by a Show of Hands.
