

Spring and Summer, 2012

Thank you for your interest in Skidmore College's summer programs.

As an international student planning to participate in our summer program, you will be expected to have a student visa that will allow you to study in the United States. Applying for a visa can be a somewhat time-consuming process. We, therefore, recommend that you begin this process as you are applying to the program and possibly awaiting acceptance.

Please review the following memo and follow the step-by-step instructions for completing the **Application for Certification of Eligibility** form. This is a two-part form comprised of a Biographical Data form and a Certificate of Finances form. Please complete both forms and return them to our office at the address or fax number indicated below immediately after submitting your program application. If accepted into the program, we will begin to process your I-20 Certificate of Eligibility for Non-Immigrant (F-1) Student Visa.

Our office will then mail you a packet that includes an I-20 Certificate. Please read and follow the instructions provided. Again, this is a timely issue so please do not delay.

Upon your arrival to campus, it will be your responsibility to provide our office with the following:

- 1) copy of your passport with the visa attached;
- 2) copy of your I-20 form with your signature; and
- 3) copy of your I-94 arrival and departure card.

We look forward to meeting you at the start of the program. If you have further questions please call our office at (518) 580-5590, or email the Program Coordinator at your program Web site: www.skidmore.edu/summer.

RE: Application for Certificate of Eligibility (SEVIS I-20)

Congratulations on your pending acceptance to one of Skidmore College's Summer Special Programs, and welcome to the Skidmore College community. As a non-U.S citizen and international student you are required to apply for a student visa (i.e., F-1) in order to participate in any educational program in the United States. Colleges and universities are required by federal law to obtain several documents before we can issue a SEVIS I-20 (visa eligibility document). You will need the I-20 to apply for your student visa. **Note:** Canadian citizens do not need a visa, but they will still need SEVIS I-20 and other original documents at the Port of Entry to enter United States as an F-1 student.

Please complete the attached, **Application for Certificate of Eligibility**, which includes a Biographical Data Form and a Certification of Finances Form.

Form Completion Instructions:

Financial Data Form Information:

In completing the Financial Data form you will need to estimate your costs for attending the program, and it would be best to err on the high side. Please provide accompanying documented evidence to cover expenses for the cost of study including: current bank statements, employment documentation, scholarship letters, receipts from program, if paid in full and in advance. Signature of bank official must be original.

Or

If sponsored by an organization or person other than yourself or a parent, please note the organization or individual and provide the appropriate documentation.

Or

If sponsored by a government agency please name the agency and provide the documentation for the specific amount of funding.

The total available funds should cover the approximate costs for your education in the United States.

Please acquire the appropriate signatures and forward the forms and accompanying documentation to the Office of the Dean of Special Programs. If you have any questions or concerns, please contact our office.

Please attach the following documents:

1) A photocopy of the identification page from your passport.

2) Photocopies of official bank statements, or other appropriate official documents certifying available funds to cover your expenses in the United States.
